### RULES OF RACING

The Commission amended the Rules of Harness Horse Racing for the year of 1972 after a public hearing held on Wednesday, May 31st, 1972 as provided by the Administrative Procedure Act.

### SALIVA AND URINE TESTS

The Commission continued the program of analyzing the saliva and urine of every winning horse and any other horse designated by racing or commission officials. Every winning horse and all such designated horses are under the surveillance of a State Police Officer and a Commission Inspector from the moment the race is over until the specimens of the saliva and urine are obtained.

The samples obtained are transported immediately after the close of each racing day by the State Police to the Racing Laboratory maintained by the Department of Public Safety at 1010 Commonwealth Avenue, Boston, for analysis.

This system has met with approval of horsemen by reason of the protection of the samples against tampering before analysis.

At dog racing meetings held during the year of 1972 urine samples were

obtained from winning greyhounds and other such greyhounds as may have been designated by racing or commission officials. These samples were also transported immediately by the State Police to the Racing Laboratory of the Department of Public Safety.

During the year of 1972 there were 12,455 saliva and urine samples taken. These samples were divided as follows:

	<i>Saliva</i>	<i>Urine</i>
Thoroughbred Horse.....	1874	1760
Standardbred Horse (harness).....	1565	1359
Greyhounds.....	- - -	897
	<hr/> 3439	<hr/> 4016

No positive samples were reported.

## UNPAID PARI-MUTUEL TICKETS

An audit will be conducted in January 1973 of the books of the various associations concerning the dollar value of pari-mutuel tickets issued during the year of 1971 which were valid for payment but not claimed for redemption before January 1st, 1973. From the information available at this time it now appears that the following approximate amounts will be received:

When the audit of the unpaid ticket account of each association by the Commission Accountant has been completed there may be a variance from the reported totals shown above. The audit will ascertain whether the amounts reported are correct and that each license has in its files cancelled checks and cashed tickets that will reconcile its reported total with the amount shown on its pari-mutual records on the closing day of each meeting.

### LICENSES AND REGISTRATIONS

In accordance with Section 9-A of Chapter 128-A of the General Laws and to aid the Commission in the enforcement of its rulings, owners, trainers, jockeys, agents and stable employees at the horse tracks; owners, trainers and agents at the dog tracks and owners, trainers, drivers, agents and stable employees at the harness tracks were all licensed. Colors, stable names, kennel names, partnerships, etc. were registered with the Commission.

Through this system a definite record of all persons directly involved in

racing is available to the Commission at all times. During the year of 1972 the sum of \$41,821.00 was realized from all licenses and registrations. The Commission has found this system a most effective aid to its supervision.

### REVENUE

During the calendar year of 1972 the gross revenue to the Commonwealth from licensed pari-mutuel racing amounted to \$29,762,151.09 compared with \$28,806,474.54 for the year of 1971.

1969 .....	1,410,388.56
